We haven't built any significant storage in California for at least 40 years, and it is high time that, in this time of drought, we seize this opportunity to move forward with bipartisan legislation, such as what I am carrying, H.R. 4300, to build Sites Reservoir—whatever it is going to take—to add to our

water supply in the State and for our Western States.

I ask for the Congress and for the Senate to come together and get behind a measure to build water storage for the West.
